Published OCT 2020

Dear Donor,

Thank you for agreeing to make a donation to **Pregnancy Crisis Helpline** using the Gift Aid scheme. This will enable us to reclaim any tax on your gift at the rate of 25p per pound. This transitional relief for the charity does not affect your personal tax position. Your support will enable us to expand our work in providing for the needs of people affected by crisis pregnancies.

The purpose of this letter is to provide and confirm your details for donation purposes. Please fill in the below details and return with your donation.

You have the right to cancel a Gift Aid declaration at any time. If you cancel within 30 days from the date of this letter, the declaration will be cancelled completely and we will not reclaim any tax. If you cancel after that, we will reclaim tax on donations you have already made, but not on any future donations. You can cancel by emailing us at info@pregnancycrisishelpline.org.uk

You must pay enough tax overall to cover the tax all the charities or Community Amateur Sports Clubs (CASCs) that you donate to will reclaim on your gifts for this tax year (currently 25p per pound you give). This includes Income Tax and/or Capital Gains Tax, tax under PAYE and tax deducted from bank interest. Other taxes such as VAT and Council Tax do not qualify.

If you are not a taxpayer you should not fill out this declaration.

If in the future your circumstances change and you no longer pay sufficient tax, you can cancel your declaration. Please let us know any future changes in your details.

If you are a higher rate taxpayer we only reclaim tax at the basic rate. You will obtain further tax relief by including the donations on your tax return. Remember to keep a note of them!
